11th ICACIT SYMPOSIUM

(Hybrid Mode)

Call for Papers

Important Dates

- ~~Full Paper Submission June 15, 2025~~
- ~~New Deadline Full Paper Submission June 30, 2025~~
- Hard Deadline Paper Submission
  July 15, 2025
- Acceptance Notification
  August 15, 2025
- Camera-ready Submission
  September 15, 2025
- Authors Registration
  September 15, 2025
- Oral Presentations
  October 15 - 17, 2025

Chiclayo, the "City of Friendship" in northern Peru, enchants visitors with culture, history, and warm hospitality. Nestled in the Lambayeque region, Chiclayo offers a captivating mix of ancient heritage and contemporary energy. Discover its remarkable archaeological treasures, such as the Lord of Sipán tomb, indulge in its celebrated gastronomy. A visit to Chiclayo promises an unforgettable journey into the heart of Peruvian culture.

Website:
https://icacit.org.pe/symposium

The 11th International Symposium on Accreditation of Engineering and Computing Education - ICACIT is the most important educational quality and accreditation event in Latin America. A space to share knowledge and experiences in accreditation, education, and continuous quality improvement among professionals from academia, industry and government. The event will be held in hybrid modality.

ICACIT, the accrediting agency specialized in Computing, Engineering, Technology in Engineering, Science and Architecture programs, more than 20 years promoting continuous improvement of educational quality in higher education programs, it is the first Latin American agency signatory of the Washington Accord and a member of the European Network for Accreditation in Engineering Education - ENAEE, accords that bring together the most prestigious engineering accreditation agencies in the world.

Paper Submission and Review

The official language is English, the papers must be presented in PDF and have 6 pages maximum following the IEEE format for conferences, available at:
https://www.ieee.org/conferences/publishing/templates.html

All submitted papers are evaluated in a blind peer review process and must be submitted using the EasyChair System by accessing the following URL:
https://easychair.org/conferences/?conf=2025icacitsymposium

Publication and Indexation

All papers in English accepted and registered at ICACIT Symposium 2025 will be published in the conference proceedings and submitted to the IEEE Xplore®. Content loaded into IEEE Xplore® is made available to its abstracting and indexing partners, including Elsevier (Scopus) and others, for potential inclusion in their respective databases.

Topics of Interest

Papers in all areas on accreditation and education in engineering and computing are invited with a particular emphasis on:

- Quality Assurance and Accreditation.
- Teaching and Learning in Engineering and Computing Education.
- Relationship of Students, Professors and Programs with Industry, Government, Society and Academia.
- Artificial intelligence in educational and learning environments.
- Ethical challenges.
- Digital Transformation in Higher Education.
- Game-based learning and gamification.
- Non-traditional laboratory
- Virtual and remote laboratories and classrooms.
- Education in the era of Industry 5.0.

Venue (Local Organizer): USS

Technical Sponsors: IEEE, IEEE Education Society

Organized by: ICACIT
