

CALL FOR PAPERS

7th ICACIT SYMPOSIUM (Virtual)

4 y 5 November 2021, Lima - Peru

The 7th *International Symposium on Accreditation of Engineering and Computing Education - ICACIT* is the most important educational quality and accreditation event in Latin America. A space to share knowledge and experiences in accreditation, education and continuous quality improvement among professionals from academia, industry and government.

Due to the global situation regarding COVID-19, the ICACIT 2021 Symposium will be held in the virtual modality.

ICACIT, the accrediting agency specialized in Computing, Engineering, Technology in Engineering, Science and Architecture programs, has been promoting continuous improvement of educational quality in higher education programs for 18 years, it is the first Latin American agency to sign the **Washington Accord** and a member of the European Network for Accreditation in Engineering Education - **ENAE**, accords that bring together the most prestigious engineering accreditation agencies in the world.

Topics of Interest

Papers in all areas on accreditation and education in engineering and computing are invited with a particular emphasis on:

1. Quality Assurance and Accreditation
2. Teaching and Learning in Engineering and Computing Education
3. Students and Professors' relationship with industry, government, society and academia
4. Students, professors and associated services
5. Equity, Diversity and Inclusion
