Bogota, the vibrant capital of Colombia, captivates visitors with its rich tapestry of culture, history, and energy. Bogotá offers a dynamic blend of colonial charm and modern sophistication. Explore its eclectic neighborhoods, savor its renowned cuisine, and immerse yourself in the warmth of its people – an unforgettable experience awaits in Bogotá.

The 10th International Symposium on Accreditation of Engineering and Computing Education - ICACIT is the most important educational quality and accreditation event in Latin America. A space to share knowledge and experiences in accreditation, education, and continuous quality improvement among professionals from academia, industry and government. The event will be held in hybrid modality.

ICACIT, the accrediting agency specialized in Computing, Engineering, Technology in Engineering, Science and Architecture programs, more than 20 years promoting continuous improvement of educational quality in higher education programs, it is the first Latin American agency signatory of the Washington Accord and a member of the European Network for Accreditation in Engineering Education - ENAEE, accords that bring together the most prestigious engineering accreditation agencies in the world.

## Topics of Interest

Papers in all areas on accreditation and education in engineering and computing are invited with a particular emphasis on:

- Quality Assurance and Accreditation.
- Teaching and Learning in Engineering and Computing Education.
- Relationship of Students, Professors and Programs with Industry, Government, Society and Academia.
- Artificial intelligence in educational and learning environments.
- Ethical challenges.
- Digital Transformation in Higher Education.
- Game-based learning and gamification.
- Non-traditional laboratory
- Virtual and remote laboratories and classrooms.
- Education in the era of Industry 5.0.

## Paper Submission and Review

The official language is English, the papers must be presented in PDF and have 6 pages maximum following the IEEE format for conferences, available at:  
<https://www.ieee.org/conferences/publishing/templates.html>

All submitted papers are evaluated in a blind peer review process and must be submitted using the EasyChair System by accessing the following URL:  
<https://easychair.org/conferences/?conf=2024icacitsymposium>

## Publication and Indexation

All papers in English accepted and registered at ICACIT Symposium 2024 will be published in the conference proceedings and submitted to the IEEE Xplore®. Content loaded into IEEE Xplore® is made available to its abstracting and indexing partners, including Elsevier (Scopus) and others, for potential inclusion in their respective databases.
