11th ICACIT SYMPOSIUM
(Hybrid Mode)
Call for Papers

ICACIT SYMPOSIUM

USS

● Important Dates

~~Full paper submission~~
~~15 June, 2025~~

New Deadline Full paper submission
30 June, 2025

Acceptance notification
15 August, 2025

Camera-ready submission
15 September, 2025

Authors Registration
15 September, 2025

Oral presentations
15 – 17 October, 2025

Information contact

Conference Chair
Jimmy Túllume Salazar

The 11th International Symposium on Accreditation of Engineering and Computing Education - ICACIT is the most important educational quality and accreditation event in Latin America. A space to share knowledge and experiences in accreditation, education, and continuous quality improvement among professionals from academia, industry and government. The event will be held in **hybrid modality.**

ICACIT, the accrediting agency specialized in Computing, Engineering, Technology in Engineering, Science and Architecture programs, more than 20 years promoting continuous improvement of educational quality in higher education programs, it is the first Latin American agency signatory of the Washington Accord and a member of the European Network for Accreditation in Engineering Education – ENAEE, accords that bring together the most prestigious engineering accreditation agencies in the world.

Paper Submission and Review
The official language is English, the papers must be presented in PDF and have 6 pages maximum following the IEEE format for conferences, available at:
https://www.ieee.org/conferences/publishing/templates.html

All submitted papers are evaluated in a blind peer review process and must be submitted using the EasyChair System by accessing the following URL:
https://easychair.org/conferences/?conf=2025icacitsymposium

Publication and Indexation
All papers in English accepted and registered at ICACIT Symposium 2025 will be published in the conference proceedings and submitted to the IEEE Xplore®. Content loaded into IEEE Xplore® is made available to its abstracting and indexing partners, including Elsevier (Scopus) and others, for potential inclusion in their respective databases.

Topics of Interest
Papers in all areas on accreditation and education in engineering and computing are invited with a particular emphasis on:

- ⊘ Quality Assurance and Accreditation.
- ⊘ Teaching and Learning in Engineering and Computing Education.
- ⊘ Relationship of Students, Professors and Programs with Industry, Government, Society and Academia.
  Artificial intelligence in educational and learning environments.
- ⊘ Ethical challenges.
- ⊘ Digital Transformation in Higher Education.
  Game-based learning and gamification.
- ⊘ Non-traditional laboratory
- ⊘ Virtual and remote laboratories and classrooms.
- ⊘ Education in the era of Industry 5.0.

Venue (Local Organizer): USS Universidad Señor de Sipán

Organized by: **ICACIT**
