CALL FOR PAPERS

ICACIT SYMPOSIUM

12th ICACIT SYMPOSIUM
Paper Presentation Modality: Hybrid

21 – 23 October 2026 | Santiago de Chile – Chile

The 12th International Symposium on Accreditation of Engineering and Computing Education – ICACIT is the most important educational quality and accreditation event in Latin America. A space to share knowledge and experiences in accreditation, education and continuous quality improvement among professionals from academia, industry and government. The event will be held in **hybrid modality.**

ICACIT, the accrediting agency specialized in Computing, Engineering, Technology in Engineering, Science and Architecture programs, more than 20 years promoting continuous improvement of educational quality in higher education programs, it is the first Latin American agency to signatory of the **Washington Accord** and a member of the European Network for Accreditation in Engineering Education – **ENAEE,** accords that bring together the most prestigious engineering accreditation agencies in the world.

Topics of Interest

Papers in all areas on accreditation and education in engineering and computing are invited with a particular emphasis on:

1. Quality & Accreditation
2. AI, Digital Transformation & EdTech
3. Curriculum Innovation & Student Development
4. Sustainability & Global Impact
5. Applied Engineering & Computing Projects

The Pontifical Catholic University of Pontificia Universidad Católica de Chile, recognized for its academic excellence and commitment to educational quality, will host the next 2026 ICACIT Symposium, providing an ideal environment for the exchange of experiences, innovation, and best practices in engineering accreditation and education.

Santiago de Chile, Chile, the country's capital and main economic, cultural, and academic hub, offers modern infrastructure, rich history, and a vibrant innovation ecosystem. Surrounded by the Andes Mountains, the city provides an excellent setting for academic exchange and an enriching international experience.
